CONSENT ORDER

WVPEBOARD  
Comes now the West Virginia State Board of Registration for Professional Engineers  
by Leonard J. Timms, P.E., its president, and its attorney, Nicole A. Cofer, Assistant  
Attorney General for the State of West Virginia (hereinafter "the Board") for the purpose of  
agreeing to disciplinary action to be taken against Robert Reed (hereinafter "Respondent")  
and Innovative Technologies Group, Inc. (hereinafter "Respondent Firm"). As reflected in  
this document, the parties have reached an agreement concerning the proper disposition of  
this matter, and the Board, upon approval of such agreement, does hereby **FIND** the  
following:

1. The Board is a state entity created by West Virginia Code § 30-13-1 *et seq.* and is empowered to regulate the practice of professional engineering pursuant to the same.
2. Respondent Firm, Innovative Technologies Group, Inc. is organized under the laws of the State of West Virginia with its office located in city of Vienna.
3. Respondent, Robert Reed, as the owner of Respondent Firm, and has the power and authority to make admissions and otherwise act on behalf of Respondent Firm.
4. Respondent holds West Virginia PE License number 6810.
5. Respondent is also the owner of another firm, A-1 Engineering, Inc., which has been

issued Certificate of Authorization number C01299-00.

6. The Board received a copy of an inspection report dated June 27, 2007 completed by Respondent on Respondent Firm's letterhead.
7. Additionally, Respondent admitted during a telephone conversation with the Board's investigator that he had completed seven (7) projects over the past three (3) years under Respondent Firm's name.
8. Respondent also stated that his choice to do these jobs under the name of Respondent Firm, rather than A-1 Engineering, Inc., was inadvertent and a mistake.
9. Thereafter the Board initiated Complaint Number C2010-02 which was filed on July 21, 2009.
10. At all relevant times, with regard to the allegations contained in Complaint Number C2010-02, Respondent Firm did not have a valid Certificate of Authorization.
11. Both Respondent and Respondent Firm were made aware that offering services for engineering work to be done in the State of West Virginia without a valid certificate of authorization constitutes a violation of the laws as they pertain to the practice of engineering.
12. Respondent Firm admits it offered to provide engineering services for a project located in the State of West Virginia without a valid Certificate of Authorization in this State.
13. Respondents' prompt response in connection with this Complaint mitigates Respondent Firm's culpability regarding the admitted violations of West Virginia

engineering law; therefore, based upon the foregoing, the Board, in its discretion, will not assess administrative costs although the Board does find that it is within their power to assess such costs according to W.Va. Code R § 7-1-14.4.

14. Respondents have waived their right to a hearing on this matter and other rights set forth in W. Va. Code § 30-13-1 *et seq.* and the procedural rules of the Board.

### **CONCLUSIONS OF LAW**

1. West Virginia engineering law allows a firm to practice or offer to practice engineering only upon the issuance of a certificate of authorization by the Board. W. Va. Code § 30-13-17.
2. The Board is authorized to “assess civil penalties against any person who violates any provision of this article or any rule promulgated by the board for each offense in an amount determined by the board.” W. Va. Code § 30-13-21(b); *see also* W. Va. Code § 30-13-21(d)(4).
3. Practicing or offering to practice engineering without a valid Certificate of Authorization, to which Respondent Firm has admitted herein, is an action that could subject a firm to discipline by the Board, including a civil penalty up to Five Thousand Dollars (\$5000.00). W.Va. Code R § 7-1-15.1.
4. The Board may assess administrative costs incurred in the performance of its enforcement or investigatory activities against any person or entity that violates the law as it pertains to the practice of engineering. W.Va. Code R § 7-1-14.4.

5. Each day of continued violation may constitute a separate offense. W.Va. Code R § 7-1-15.3.
